THE COLORFUL COSTUMES of the Shrine's Oriental Band made it a crowd-pleaser.

A FLEET OF OLDSMOBILES bearing dignitaries led the parade.

No Buses For Student Spectators, Says State

Albert Dittman, superintendent of Antioch Community High School, expects to receive many protests from parents regarding the new policy of no "spectator buses."

The decision to provide no more bus service for student spectators came as a result of legal advice by Attorney Ted Larson. Board members were informed that legal council of the State Superintendent of Schools had interpreted a recent law covering operation of school buses as meaning that school buses can not be used to transport students unless they are engaged in some school activity.

This means that while players and cheer leaders may be transported in school buses, student spectators may not.

The Board of Education authorized Mr. Dittman to investigate the possibility of chartering a private bus service for students, with the students paying a fare. Although the school can not undertake to hire the bus, a school-connected organization such as the PTA could.

Mr. Dittman said that Attorney Larson advised the board that the only way the situation could be remedied is to introduce enabling legislation to change the law.

Educators throughout the state are raising an outcry over the interpretation of the law. The matter has not been tested in court, and some schools, Dittman said, can be expected to adhere to their former policy of transporting students. This, Dittman said, can be expected to create more confusion in the case of parents, and call forth more questions.

The Antioch Grade School Board has adopted a like policy on the advice of Attorney Larson.

In other business, the Board of Education hired several custodians, cafeteria help, and teachers. Steve Vish, Lake Villa, was hired as bus driver; Simon Edmann, custodian and bus driver; Mrs. Barbara Hendrickson, part-time cafeteria help; Mrs. Margaret Harrison, part-time cafeteria; Mrs. Mabel Albrecht, home economics teacher; Mrs. Barbara Boynewicz, counselor, and teacher, replacing Richard Weinberg.

The public hearing on the 1964-65 levy was held Wednesday night. The new levy is for \$657,632.00. The '63-'64 levy was for \$634,150.00, an increase of about 4%.

The '63-'64 budget was \$677,250.00; the '64-'65 budget is for \$710,980.00, also an increase of 4%. The increase, Mr. Dittman says, is mainly in the educational fund, including more teachers, higher salaries, equipment and supplies.

Diplomas were awarded four seniors who attended summer school to make up credits — Barbara Richter,

James Mirek, Peggy Gregg and John William Horton.

In conjunction with the celebration of the school's 50th anniversary, board members have set Thursday, October 8, for a dinner to which all past board members and their wives will be invited. Members of the committee in charge of preparations for the dinner are William Brook, chairman, Helen Kopriva and Boyd Osmond.

The contract to install a sewer line to the new building on the athletic field was awarded to George Kennedy Construction Co., on their low bid of \$6,423.75.

Seek Float Entries For H. S. Parade

Plans for the Golden Anniversary of Antioch Community High School were discussed at the meeting of the alumni committee on Wednesday, October 19.

Mrs. Edna Radke, co-chairman of the celebration, reported that she had names & addresses for all classes except the Class of 1917. 2,500 letters have been mailed to alumni and less than 1½% have been returned because of incorrect address.

The committee urges all alumni to reserve their copy of the anniversary annual as early as possible. The deadline for subscriptions is the middle of October.

The reception scheduled for Sunday, October 11, promises to be a huge one, according to committee members. Ken Smouse reports that tentative plans have been made for the program for that afternoon.

Some excellent pictures of the school in earlier days have been received. Mrs. Radke showed the group one of an early home economics class.

Requests for more information about the Homecoming Parade, scheduled for the morning of Saturday, October 10, have prompted the Committee to print an entry blank for the convenience of groups wishing to participate. The blank is elsewhere in this paper.

The Homecoming theme will be announced later by the Student Council.

Antioch Woman Dies At Age of 92

Mrs. Lena Meyer Moffett, 92, died Saturday, August 22. She had been living with her granddaughter, Mrs. Arthur Meyer of Antioch.

Funeral services were Tuesday, August 25, in Maywood, Illinois, with burial in Elmwood Cemetery in Maywood.

Parked Car Rolls, Causes Accidents

When his parked car started to roll backwards, Thomas J. Muse, crossing Main St., in Antioch, turned to dash back to his car and was hit by a car driven by Joanne Wagner, 5543 S. Richmond St., Chicago.

Muse, of 2017 West 18th Place, Chicago, was taken to Zion Memorial Hospital by the Antioch Rescue Squad and released after treatment. He reportedly suffered slight injuries to his left leg and back, and said he would see his own doctor.

Police Chief Walter Scott said that Muse told him he had parked his car in front of 895 Main St. and started to walk across the street. A motorist honked his horn and called to him that his car was rolling. Muse turned and started back, and walked into the path of Miss Wagner's car. She said she was unable to stop in time to avoid hitting him. Witnesses said she was traveling about 15 miles an hour.

The accident happened at about 6 a.m. Sunday morning, August 23. No citation was issued.

Start Work At Bad Crossing

Work is to be started soon to improve the visibility for motorists at the dangerous intersection of Highways 45 and C near Bristol. Five people have been killed at this corner in the past two years.

Supervisor Glen Pacey of Salem has asked that similar work be done to improve the Highway C crossing at Route 83. One person has been killed at this intersection this year.

It was announced two corners of Hwy. C and 83 would be cut down to increase visibility.

At 45 and C, a dip will be taken out of the road a short distance east of the intersection; an abandoned schoolhouse on the northwest corner will be removed, and a hill on the northeast corner will be cut down. Trees will be removed on the southeast corner.

Rescue Squad Busy During August

John Bittner, Wauconda, Ill., was taken to Victory Memorial Hospital in Waukegan on August 19 by the Antioch Rescue Squad after his foot was caught on an auger belt.

Bittner was working on the sewer project on Route 83 at the intersection with Route 173 when the accident happened.

Ray Traves, Sr., and Ray Traves, Jr., were taken to the Antioch Clinic by the Antioch Rescue Squad on August 23, after a fight in Traves' Tavern. Ray, Jr., suffered a cut on the left leg; Traves, Sr., had fainted.

Museum Open On Saturdays

The Lake County Museum of History will be open on Saturdays from now on, the Board of Trustees announce.

Hours on both Saturday and Sunday are noon to 5 p.m. The museum is located on Wadsworth Road, just east of Route 41, four miles northwest of Waukegan.

Sept. 15 has been announced as the kick-off date for the museum's fund drive. Board members hope to build a new museum near Libertyville.

The new building will have 40,000 square feet of usable space. The old building is not fireproof and is too small to house the Museum's exhibits.

Objects and documents in the Museum have been appraised at one million dollars in value. In the present building, the contents are always in danger of fire, humidity and deterioration.

Speakers are available to tell civic clubs, etc., about the Museum and its plans. Anyone desiring information may call Mrs. Thomas Kernan at MA 3-2411 in Waukegan.

Court of Honor At Channel Lake

A Court of Honor for Boy Scout Troop 86 of Channel Lake, a colorful ceremony which has become a yearly event, will be held this Saturday, August 29, on the grounds of the Northern Illinois Conservation Club at Channel Lake.

The public is invited to this sixth annual Court of Honor, put on by scouts, Scoutmaster Ray Atwood and the scout committee. The ceremonies, held under the open sky, will start at 8 p.m.

The highest award to be given this year is that of Life Scout, earned by Richard Warsing, son of John and Irene Warsing of 601 Orchard Street.

Refreshments will be served at the close of the ceremonies.

H.S. Starts Early For Freshmen

The first full day of school for all classes at Antioch Community High School will be Tuesday, September 8.

Freshmen will attend classes on Friday, September 4. The school will officially open on Thursday, September 3, with Freshmen reporting to the boys' gym from 1:30 to 3 p.m. for matriculation.

On Friday, Sept. 4, upper classmen will report to the boys' gym on the following schedule: sophomores, 8:30-10 a.m.; juniors, 10:11-30 a.m. and seniors, 1:30-2:30 p.m.

Most students will pay a tuition charge of \$15.75. Freshmen will pay \$16 and music students from \$17.50 up.

The cafeteria will be in operation for freshman students.

Fire In Car

The Antioch Fire Department put out a fire in the car of William Wesley on Wednesday, August 19, after it had done about \$200 damage.

The car was a 1957 Pontiac, and was at State Line Road and Deep Lake Road.

Hit By Car, Has Minor Injuries

Charles Vleck, 15, of 201 Lake Avenue, Channel Lake, received cuts and abrasions when he was struck by a car last Saturday, August 22, at about 4:30 p.m.

Young Vleck was attempting to cross Rte. 173 in front of the Antioch Bowl, west of Antioch when he was hit by a car driven by Ralph Dowell, Rt. 3, Antioch. Vleck was taken to the Antioch Clinic by the Antioch Rescue Squad.

Deputies Bernard Walther and James McGarvie said that two witnesses and Vleck said that he started to cross the road, slipped and then couldn't decide which way to go. Witnesses were Charles Meyers, 500 Lake St., Woodstock, and Morris Brasile, 505 Hickory Road, Woodstock.

The payment was slippery after the heavy rain Saturday afternoon. Witnesses said that young Vleck was accompanied by several other boys who were waiting to cross the road.

No citation was issued.

Thirty-Day Outlook

The U. S. Weather Bureau 30-day outlook for Illinois from mid-August to mid-September is for moderate precipitation, averaging generally two inches to four inches over the state. Temperatures are expected to average from one to four degrees below normal in western Illinois and three degrees or more below normal in eastern Illinois.

Thousands Watch As Colorful Units Of Shrine Parade

The two-mile parade route was packed with thousands of enthusiastic watchers Saturday as Antioch paid homage to William Weisenborn, Potentate of Medinah Temple. An official of the Shrine organization estimated the crowd at 20,000 people. It was difficult to get Antioch people to even guess at the number present. Most refused to even estimate, beyond, "It was certainly the

biggest crowd Antioch's ever had."

Police Chief Walter Scott said that though he couldn't estimate the number of persons present, "I never saw that many people in Antioch before. Everywhere we went the length of the parade route, people were crowded along the curb."

Scott reported little trouble with traffic and no incidents. "It was a very orderly crowd," he said.

All of Medinah Temple's marching units took part in the parade—the Black Horse Troop, the Motorcycle Patrol, the Arab Patrol, the Medinah Indians, the Chanters, the Band.

Convertibles bore dozens of Shrine and civic officials. Among the Shrine notables present were several Masters of Blue Lodges, including Earl W. Ferry, Jr., Waukegan Lodge No. 78; Albert C. Bauer, Rising Sun Lodge No. 115, Grayslake; James E. DeWaters, Millburn Lodge No. 127; William Kiffelburg, Wauconda Lodge No. 298; Robert H. Fritzsche, A. O. Fay Lodge No. 676, Highland Park; Austin G. Alm, Anchor & Ark Lodge No. 1027, Waukegan; and Norman J. Hoff, North Chicago Lodge No. 1095.

Other Shrine notables present were: Orville Rush, from Washington, the Imperial Assistant Rabbah, F. W. Robinson, Senior Warden, Libertyville Lodge No. 492; Thomas Seay, a Past Potentate of Medinah Temple and Imperial High Priest and Prophet; several Past Potentates of Medinah, including Carl R. Templeton, John B. Morgan, Joseph A. Downey, Sig J. Chakow, James W. Hilton and Harold G. MacDonald.

Several Mayors of towns in the area were present, in addition to Mayor Murrill Cunningham of Antioch; Mayor Leo De Meyer, Grayslake; F. J. Berry, Libertyville; John J. Noel, Mundelein; Charles F. Heblor, North Chicago; Robert Sabonjian, Waukegan; W. B. Dunbar, Zion; John Glen, Round Lake Beach; Douglas MacGillis, Round Lake, and Walter Schneider, Lake Villa.

One of the marching Shriners suffered a heart attack and was aided by the Rescue Squad.

A minor cloudburst drenched floats and people about 20 minutes after the parade ended. However, the Lions Club chicken barbecue proceeded at the cessation of the shortlived downpour.

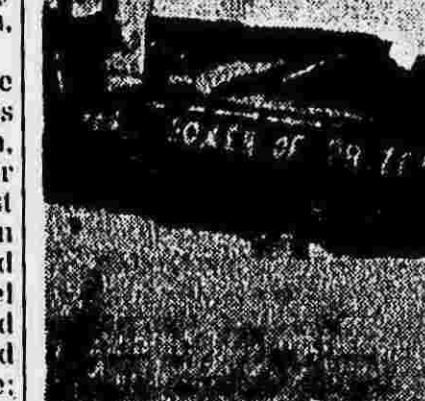

A large crowd at the athletic field of the Antioch Community High School watched the Medinah units exhibit their skill in more intricate maneuvers Saturday evening.

County and State police helped the Antioch force in directing the flood of traffic that started entering Antioch long before the parade started.

William J. Anderson, Assistant Director of the Shrine Club, was General Chairman of the affair; Fred Walpole, Antioch, was Antioch chairman. John L. Horan was Parade Marshal for the Antioch section of the parade, which included about fifty units.

The Shriners have never before brought all their units and officials to a small town such as Antioch. The cost to Medinah Temple of the day's festivities was reportedly in the neighborhood of \$5,000.

The Mayors and high Shrine officials were entertained at a dinner at Lorenz's Smart Country House before the parade. The Millburn Lodge served a turkey dinner to about 300 of the Shriners.

GOODIES WERE TOSSED to the children from the float of One-Hour Martinizing.

A CAR OF ANCIENT VINTAGE bore Fred Walpole, President of the Antioch Chamber of Commerce and chairman at Shrine Day.

The Famous Forty Feet

What happened?

Remember the glad outeries, a year ago, of Mayor Cunningham and the Village Board at the prospect of a shopping plaza on Orchard Street? The enthusiastic promises of every possible co-operation to further the plans?

At that time, the Village Board urged on by the Mayor, voted agreement to four requests made by Dr. Vermeren on behalf of the plaza.

A year later, the Mayor has suddenly adopted a negative position. The quibbling over "lease" or "title" to the forty feet of land seems purely academic, for the words "perpetual lease" were tossed around quite freely at that meeting a year ago, even though they were not included in the minutes, nor in the final motion.

Why the sudden change of heart? If anyone other than the Mayor knows, he isn't saying.

Perhaps it matters little, to the citizens of Antioch, whether or not the plaza gets the forty feet of land it was promised. What does matter is whether or not businesses that may be considering locating in Antioch can depend on commitments made by our Village Board.

It's important, too, that majority rule on the Village Board be preserved. Four of the six members on the board have stated their position in favor of vacating the property. Yet the opposition of two men has blocked even bringing the matter to a vote.

Council Sends Letter Of Thanks To Shriners

The Mayor and the Village Board of Antioch are sending a Thank You letter to the Shrine organization in appreciation for Shrine Day in Antioch.

The hand-lettered document is being prepared by David Nissen. The text follows:

Courthouse Notebook

BY LOU DURKIN

What with a doubleheader baseball game on television, a rehash of the Bear-Packer football game to be worked over, and uninviting, if not downright unfriendly weather it is surprising that the turnout at the Avon Township Republican Club Sunday was as big as it was.

Another handicap for Avon Township Republican Club President Bill Wood and his committee was the unfortunate scheduling that made it necessary for GOP gubernatorial Candidate Charles Percy to speak at 1 p.m. and head for other campaign points.

As always Percy spoke fluently and convincingly, but the sense of urgency with which he raced through his speech was conveyed to his audience and, apparently out of respect for his later commitments, the listeners refrained from interrupting him with applause more often than politeness dictated.

Judging from the remarks of Percy and Elroy Sandquist, the GOP candidate for Attorney General, a pair of traditional GOP whipping boys can expect a long, hard autumn.

These, of course, would be

Chicago Mayor Richard J. Daley, who won't be on the ballot, but will be the major target of Illinois Republicans, and the oft-told tale of vote frauds in Chicago.

It would seem from this vantage point that Republican candidates should spend more time challenging the Democrats who are on the ballot instead of wasting oratory and energy on Mayor Daley, who has actually earned the admiration of a good many people. Independents and Republicans included, because of his admitted competence and ability as a political leader.

As for the vote frauds, a few specifics would probably be more effective than the blanket general charges that have been hurled by Republican candidates for the past several elections.

It's still bubbling under the surface, but it appears that the old order is about to change on the County Board of Supervisors and County Board Chairmen Konoth Honko will have to brace himself for some stormy weather ahead.

RANDOM THOUGHTS

DURING Saturday's SHRINE PARADE:

When you can hear a band playing and watch a parade without a thrill, you've had it, brother. . . . Are people getting soft, or just better prepared? Seems as though at least 60% brought chairs and camp stools—even the little ones had their lawn chairs. . . . Wish Antioch people didn't "sit on their hands" so much—they certainly looked as though they were enjoying the parade. . . . but very little applause. The roar of the crowd must mean as much to the weary marchers as the band music does to the watchers. . . . Parades are kind of like Christmas—everybody talks to everyone else. . . . What a lot of hours those Shriners must practice! . . . And floats get more elaborate every year. . . . First time I ever saw people on top of buildings to watch a parade in Antioch. Good view—but half the fun of a parade is mixing in the crowd and hearing the comments.

Antioch, Illinois

Gentlemen:—

After three and one-half years in Antioch we have been called to a new pastorate in Farmington, Michigan. (A suburb of Detroit.) We would like to thank you very much for the courtesy extended us in a complimentary subscription to the Antioch News. We will be in our new Farmington church as of September 1st.

We have also appreciated the church news coverage we have received in the paper on so many occasions. This relationship we would like to see continued with the church.

A Ten-Dollar Cadillac

By Robert Coulson

"There is no trick to this," said the man. "I'll sell you a brand new Cadillac, this year's model, for ten dollars. I'll sell you as many as you want. Or any other make of car on the same basis. Any color or model, and I'll make the same offer next year when you wish to trade it in."

"For my profit," he continued, "all I want is a note for thirty thousand dollars payable twenty years from now, and signed by your relatives and neighbors."

My first reaction was suspicious refusal. It seemed that he was making too much profit. There was too great a difference between five thousand dollars advanced now and thirty thousand dollars repaid in twenty years. But then the gnawing doubts began to assail me.

I would not have to repay any of it. Perhaps my children and neighbors could easily afford the money when the debt came due. Perhaps none of them would be alive. Perhaps they will have moved away, and he cannot find them to serve the legal papers on them. Perhaps my grandchildren and neighbors can win the case in court twenty years from now. Perhaps there will be wild inflation then, and thirty thousand dollars will seem nothing. Perhaps this country will be conquered by another country, or become involved in a civil war, and the debts will all be voided.

If any of these things happen; if there is any kind of inflation; repudiation, or invasion, then I could beat the game and have a Cadillac for ten dollars.

And even if none of those things happen within the twenty years, my grandchildren and the neighbor's grandchildren can refinance the note and promise to pay sixty thousand dollars in twenty more years, and they can wait for the inflation, repudiation, or invasion.

There is a great temptation to gamble on the hope that Something Will Happen. Meanwhile, the Cadillac would be mine to enjoy. So I selected a white convertible, and I am happily away.

But how did that huckster and I manage to get my relatives and friends to sign those notes? Easy! We cut them in on the same deal. And to save their consciences, we put cars at the bottom of the list and offered them education, medical care, and similar goods and services that they desperately needed. We had no trouble at all in getting them to vote on the scheme and turn the whole thing over to our government officials to handle for us. After all, isn't that why we elect them?

So I am driving a white Cadillac. My elderly neighbors across the street are receiving their monthly checks from Washington. My neighbor's children next door are all in college at little cost to the parents. The other next door neighbor gets food coupons, plus a check from his government for not working.

And so on.

I expect that I will be dead before it is time to pay the piper. My grandchildren? Well, surely they will be at least as smart as I am. All they need to do to beat the game in their time is to repudiate the debt, inflate the currency, or (if they are not too smart) refinance the national debt.

You know, sometimes I suspect that something is wrong with this whole scheme.

of more benefits from Washington at no cost except an increase in the national promise to pay in the distant future. But I don't seem to be able to explain it—even to myself; after all, I AM driving that white convertible.

Tempel Farms Herd Carries Off Honors

The Shorthorn cattle show herd of Tempel Farms, Old Mill Creek, Wadsworth, Ill., will compete in the Wisconsin State Fair at Milwaukee, August 14-23, after gaining five major championships and a wide array of class firsts in the recent Lake County Fair.

The Tempel Shorthorn herd also will compete in the annual International Livestock Show competition at Chicago's Amphitheatre in November.

Tempel Farms captured both Grand Champion Bull and Grand Champion Female honors and added three other major championships in the Shorthorn judging competition at Lake County Fair.

Tempel Farms also dominated the class championships in Shorthorn bull and heifer judging.

Little Old Lady Cars

How important is mileage in judging a used car's value? Not so important as condition, visible wear and dealer reputation.

Despite the fact that most folks shopping for a used car still let the speedometer in fluence them mightily, recorded mileage can be very misleading in assessing a car's worth.

This is especially so today when manufacturer's advertising claims for reduced service on current models causes a tendency by drivers to regard their cars as mechanical wonders not requiring regular service as formerly.

Excessive engine wear causing oil burning in two- and three year old cars is fairly common. The reason is that short trip driving, if not accompanied by frequent oil changes, causes rapid sludge and varnish build up. It is this chemical change in oil that causes most extensive wear.

Roughly one gallon of water is produced by a car's combustion system for every gallon of gas consumed. In a cold engine, instead of going out the exhaust pipe, this water condenses and runs into the crankcase, setting up sludge deposits. Sludge plugs engine oil passages in the rings, causing oil burning and ultimately varnish.

If your car gets a lot of this "little old lady" type of driving (frequent trips of less than eight miles) you will be well repaid by longer engine life and ultimately greater resale value to have your oil changed every thirty to sixty days even though your mileage is below maximum recommendations.

We were pleased to welcome some ex-Fox Lake Hillites back last weekend. The Don Savage family were here visiting Don's sister in Chicago and managed to spend a weekend out here. The whole family was looking tanned and healthy and love their new home in Boynton Beach, Florida. Don used to belong to the Sports Club and Fran was very active in the P.T.A. and did some remarkable sewing for the Gavin Gallop. We had a gathering of old friends with Ruth Lingie, Maggie Klingenberg, Lois Strand, Florence Martin and Fran's sister, Ethel, present. We miss Don, Fran and the kids—they were good neighbors.

Sure would like to hear from anyone with news items pertaining to our subdivision. See you next week.

Dear Dale:
If a person has no cash income but is furnished by his employer with board, room, clothing and entertainment, does he have to pay an income tax? A/S

Yes. The employer is required to withhold tax on the basis of the fair value of the items at the time they are furnished to the employee. If the amount withheld by the employer is not sufficient, the taxpayer must pay the difference. If he has no cash income, that may be dif-

Illinois Tax Facts

Legislation is needed, which would change the system of the quadrennial assessment of all property from once every four years to a system which would create four assessment districts and provide for staggered quadrennial assessment years in large, middle and small counties. This could secure a more practical and common sense equality in property taxation. The Taxpayers' Federation of Illinois said today. Such legislation was passed for Cook County in 1959 by the General Assembly and was upheld by the Illinois Supreme Court in the case of Apex Motor Fuel Company v. Barrett, 20 Ill. 2d 395.

Under the Cook County legislation, the county board divided the county into four assessment districts, numbered 1 to 4 inclusive. For district No. 1 the quadrennial assessment years are designated as 1961, 1964 and every fourth year thereafter; for assessment district No. 2 the quadrennial assessment

years are 1962, 1965 and every fourth year thereafter; for assessment district No. 3 the quadrennial assessment years are 1963, 1966 and every fourth year thereafter; and for assessment district No. 4 the quadrennial assessment years are 1964 and every fourth year thereafter.

Application of this principle, for example, to downstate counties of over 100,000 population would affect 13 counties—Champaign, DuPage, Kane, Lake, LaSalle, Macon, Madison, Peoria, Rock Island, St. Clair, Sangamon, Will and Winnebago. The county board would adopt a resolution and divide a county into four assessment districts, said districts being based upon a study and analysis of area, number of buildings, number of parcels and assessed valuation.

Although it is impossible to obtain absolute uniformity in the assessment of property, such legislation would help remedy a serious administrative problem created by the necessity of completing a timely assessment of the many parcels of real estate within the same quadrennial year. The record shows that under the present system the time required in making the quadrennial assessment and hearing complaints is not sufficient to allow the work to be done efficiently. Assessors often have to recruit a large force of extra employees during this period, many of whom are inexperienced. Delay results, and this costs local governments large sums of money in interest on tax warrants to finance operations.

Legislation dividing counties into several districts for assessment purposes, and providing for staggered assessment years, has been held valid in Maryland and Alabama.

Dear Dale:
What is the famous Maurilius "post office" stamp? Joe

Dear Joe:
Maurilius, an island in the Indian Ocean, was the first British colony to issue adhesive postage stamps. When its first stamps were made in 1847, the engraving read "post office" in error. It should have read "post paid." Only 500 each of the penny and two-penny stamps were printed and only 26 of the stamps are known today. At a recent auction a letter carrying one of each kind sold for \$78,400.

Dear Dale:
Is it true that Germany has repaid all loans and grants extended by the United States to help in rebuilding Germany after World War II? Roy P.

Dear Roy:
No. Germany still owes us a considerable amount of money. It is true, however, that Germany is ahead of schedule in repaying these loans.

Dear Dale:
After reading your motto for a salesman just starting out, I feel that you over simplified the task by writing, "Believe you can, and you can." I have been a successful salesman for 28 years and I have learned that there is much more to salesmanship than your motto implies.

Selling is a profession just as is law, medicine and teaching. I will agree that having the right attitude is quite important, but as in all professions, selling is a constant learning process. Most of all, hard work is necessary for success. There are no shortcuts.

When you sell a product, you should thoroughly know and honestly love it. You should learn to analyze people quickly. You must be diplomatic as well as genuine in your contact work. Remember your customer or potential customer has the same

basic feelings that you have. Never offend, but always keep control of the situation. Learn to speak correctly, pleasantly, sincerely and forcefully. Keep your appearance neat. Explain your product honestly and thoroughly with enthusiasm. (Enthusiasm is contagious). Good salesmen like people, and people like good salesmen.

There are many good sales courses available and numerous good books that are worth reading. Remember—successful salesmen are not born; they are the product of hard work, love of work and an intense desire to succeed.

An Old Pro.
Dear Old Pro:
You sold me. Thank you for your interest. Dale

Mrs. Gerold William Wischmeyer

Former Resident Is August Bride

Sandra Jean Pflager became the bride of Gerald William Wischmeyer on August 1 in ceremonies at the First Congregational Church of Western Springs. The Rev. Kenneth Siem officiated.

Sandra is the daughter of Mr. and Mrs. Miller S. Pflager, 4558 Grand Ave., Western Springs. The Pflagers lived at Channel Lake before moving to Western Springs, at the summer home of Mrs. C. W. Pflager, Sandra's grandmother.

The bride was given away by her father.

The bride wore a gown of white tulle with a detachable lace bodice seeded with pearls and a detachable scalloped train re-embroidered with tulle appliques. The train and gown featured an unusual pouf bustle. Carrying a shower of rosebuds and orchids, the new Mrs. Wischmeyer wore a two-tiered, lace and seed pearl veil which came down to her waist. She also wore a necklace of pearls, a gift of the groom.

Before Sandra's entrance, the guests had watched the attendants come down the aisle. Miss Charlene Pflager, sister of the bride, was the maid of honor. The bridesmaids were Miss Cheryl Schmidt, of Coral Gables, Fla.; Miss Julie Cunningham of Western Springs; and Mrs. Joseph Keeler of Long Island, New York. Miss Jessie Pflager, sister of the bride, was the junior bridesmaid.

The attendants, carrying showers of gladioli and roses, wore melon pink floor-length gowns with deeper pink satin trim accenting the empire styling. The scoop neckline, cap sleeves and V back were accented with a satin bow in the back. The hats were composed of a double twisted bow of matching satin and a veil of light pink. The junior bridesmaid dress was a light pink floor-length gown of silk organza over tulle and she wore a small bow in her hair.

The groom chose Stanford Ackley of Columbus, Ohio, for his best man. Ushers were Paul Wischmeyer, brother of the groom; Jerry Milhon of Springfield, Ill.; William Pflager, brother of the bride; D. C. Rucker, brother-in-law of the groom; and Bruce Michelson and

Donald Wilson, both of St. Louis, Mo.

The groom's parents are Mr. and Mrs. Kenneth Wischmeyer of St. Louis, Missouri. The reception was held in the church's Plymouth hall, following the wedding.

The bride's mother wore a street-length dress of pastel green crepe trimmed with seed pearls. The groom's mother wore a street-length gown of pastel blue lace. Corsages of rose buds inside gladioli were worn by both mothers.

Out-of-town guests included Mrs. W. G. Wood of Rochester, N. H., and Mrs. C. W. Pflager, of Antioch, Ill., both grandmothers of the bride. Mrs. Elizabeth Wischmeyer, grandmother of the groom from St. Louis, attended the wedding also. Pasadena, Calif., guests were Mrs. Charles Hubbard, Mr. Glen Hubbard, and Mrs. Jessie James.

After the reception, the new Mr. and Mrs. Wischmeyer left for their honeymoon in the West after which they will go to their home in Denver, Colorado.

Both members of the new couple were graduated from Denison university. Her sorority is Kappa Kappa Gamma and his fraternity is Beta Theta Pi. Gerald is presently enrolled in Denver university's law school.

Royal Rockow

Pfc. Rockow Promoted

Mrs. Eugene Rockow wears with pride—and a bit of superstition—the paratrooper's "blood wings" given to her by her son, Royal E. Rockow.

Pfc. Royal Rockow sent the wings to his mother when he received them after his fifth jump. Paratroopers have a superstition, she says, that they must give the wings to someone dear to them within 24 hours after receiving them or it's bad luck.

Mrs. Rockow has a small superstition of her own—that if she wears the wings every day it will protect her son from harm.

Pfc. Royal Rockow was promoted to his present rank while serving as a teacher of maintenance to the cadets at West Point Academy. He's with 101st Airborne. He was the only one chosen from Fort Campbell to serve as an instructor at West Point.

Mr. and Mrs. Eugene Rockow live at 1028 Main St. They operate the Rainbow Cleaners at 920 Main St.

Surprise visitors at the F. A. Swenson house on Saturday, August 22, were their long-time friends, Mr. and Mrs. Marvin Nelson of Sheridan, Illinois. The Nelsons had come to celebrate Mr. Swenson's birthday. Then, on Sunday, the Francis Swenson family from Milton Junction, Wis., visited their parents, and there was an additional birthday party.

OUR ANTIOCH TRAVELERS

The Wayne Polsgrove family, all sun-burned and sore muscles, have returned from a 2½ week trip to Yellowstone National Park and back. Their new 16 ft. camping trailer proved a real boon in their traveling. They spent four days in the Black Hills, and five days in Yellowstone Park, exploring and viewing all the scenic splendors of these regions. The Polsgroves attended services at the Methodist Church in Cody, Wyoming. While there, they met a group of 35 young people, sponsored by the I.O.O.F. and the Rebekahs, who were coming back from a pilgrimage visit to the United Nations to their homes in Oregon. The Polsgroves also saw Buffalo Bill Museum, and the Grand Teton National Park. They learned later that they had just missed seeing Mrs. Lyndon Johnson, First Lady of the Nation, when she was making her western campaign tour.

Mrs. Peter Geier, Beach Grove, and her sister, Agnes Nielsen of Waukegan, have just completed a 2300 mile trip to see their uncle, Mr. Chris Nielsen of Wolf Point, Montana. Mr. Nielsen had been quite ill, and undergone surgery. However, he was feeling well enough when his nieces arrived, to tell them that he intends flying to Denmark very soon to visit his brothers and sisters whom he hasn't seen in 54 years.

Mrs. Lucy Himens, Antioch, accompanied by her daughter, Mrs. Lucille Kutz, and family from Dixon, Ill., spent several days in her childhood home in Eagle River, Wis., while visiting her brother, Mr. George Boldy and family. Mrs. Himens also stayed a day at another brother's home in Rhinelander, Wis., Mr. and Mrs. Thomas Bolde. Mrs. Himens was able to see many of her friends from years past.

No wonder a newborn baby cries. It's hungry, it's naked, and already it owes the government \$2,400.

ANTIOCH AMERICAN LEGION AUXILIARY By Del Jahneke

Approximately 350 people were at the 10th District American Legion Installation of Officers. Quite a few of the Antioch American Legion Auxiliary members attended this very impressive affair, held at the Gurnee American Legion Home, on Friday, August 21.

Mrs. John L. Horan (who started her fourth year as Unit President on Monday, August 24), Mrs. Warren Edwards, Mrs. Alex Hoffman, Mrs. Edward H. Jahneke, Mrs. Paul Erickson, Mrs. Burt Andersen, Mrs. Lester Zilkus, Mrs. F. A. Swenson, and Mrs. George Swenson, were among those present. It was a proud evening for the Swenson family—George Swenson was installed as 10th district American Legion Commander, by his father, F. A. Swenson, Past Commander of Antioch American Legion Post. Mr. F. A. MOOSE TOPICS

BIG SUCCESS

As was promised, Shrine day in Antioch was a big success. An overwhelming crowd gathered on the street curbs, sidewalks and even on the roof tops to witness one of the greatest parades Antioch has ever seen.

Complimented by the Shriners for an excellent performance were the Antioch Moose ADC Clowns, Richard Jorgensen, Clarence Lundgren, Carl Byer, Wally Good and Paul Mallory, and from the Chicago Moose Lodge five clowns by their respective names of, Appoto Leto, Moll, Spots Salty, Rags and Ducat.

An extra, who just tagged along to help entertain was MRS. CLARENCE LUNDGREN, dressed in full clown costume, makeup and all, rode on a motorcycle in the parade. Candles, balloons, and other items were handed out to the youngsters.

THE FEZ

The float made up by the members of Antioch's L.O.O. M. and W.O.T.M. was a huge Shriners' fez on a revolving wheel, painted to the full beauty of its original.

KEEN APPETITE

The free sandwiches served by the W.O.T.M. was welcomed by the Shriners and the Roast Beef dinner which was served at the Moose Home following the parade was a complete success. Nothing left except the dishes for the dishwasher.

BACK TO NORMAL

Shrine Day is over but it is a day that will be remembered by many for a long time to come. With the elegance gone, the town of Antioch plus the Moose Home came back to normal.

L.O.O.M.

FUTURE DATA

There will be an initiation of new members on Saturday, August 29, at 7:30 p.m. at the Moose Home. The Ritual team of Antioch will perform the ceremony, followed with refreshments and dancing at 9 p.m.

TO PLAY AGAIN

On Sunday, August 30, the Antioch Moose and the Fox Lake Moose will play another game of baseball, this time at the Gavin School at 2 p.m. Wonder if the change in scenery is going to be of any help to the Fox Lake Moose who were the defeated team of the previous game.

W.O.T.M.

At the regular business meeting of last Thursday, Collegian Gert Good, chairman for the float committee, thanked all the girls who worked so hard to make the Fez float the success that it was. She also thanked all the girls who had offered their help. The next regular meeting for the W.O.T.M. is scheduled for Thursday, September 3, at 8 p.m. at the Moose Home.

SPECIAL REMINDER

Vacations

Tom and Therese Kautmann and their son, Ronnie, have returned from their 2 1/2 week vacation. Tom was able to spend two days with them. He is a file clerk at the base, and is studying grammar and typing. Therese said they had a most educational trip, that was beautiful to see, although frightening at times.

Driving through the Bonneville Salt Flats in Utah, was quite weird. The white sands and blue water made one see illusions, and made drivers sleepy. Signs along the way, cautioned you to "watch out for sleepy drivers." At Pebble Beach they saw many seals come out of the water and sun themselves. They were thrilled with the sights at Grand Canyon. The "one-armed bandits" lost out to Therese's strong right arm, in Las Vegas. She was lucky enough to know when to quit. She said the weather in California was quite cool.

Mayor and Mrs. Ted Flanagan and their family spent their two weeks vacation visiting Ted's parents in Prescott, Arizona. They were there five years ago, too, but they had an addition to take with them this time. Little Glenn, who was just two in June, kept saying "Mommy, take picture," whenever he saw something he liked. While they were visiting the Senior Flanagan's, Ted's sister, Mary Gladys Coats, and her family came down from San Diego, Calif., and his other sister, Dolores Norton and her family from Phoenix, were there, too. Also his brother, Tim, whom he hadn't seen for over 10 years, who lives in California. It was the first time they all were together since 1940, and they took several group pictures.

Kids Help Blind Fund

By Mrs. Bernice Bernau

Because nine children wanted to do something for someone less fortunate than themselves, the Lake Villa Lions Club Blind Fund is going to be \$52 richer.

Last Saturday afternoon, from 1 to 4, the spacious grounds around the Ray Colucio residence in Lake Villa, just east of Lindenhurst near the telephone tower, looked like a miniature fair. There was a toy booth where children could win a stuffed animal for a 5 or 10 cent donation. A tub where they pitched pennies trying to win prizes. A fish pond, with all winners. A dart game where broken balloons earned a prize. A table loaded with buttered pop-corn, hot dog sandwiches, coffee and Kool-ade. And if that wasn't enough, there was a horse and a donkey to ride or a pony pulling a cart with children.

Besides the Colucio children, Robert 17, Cathy 14, Diane 11 and Patty 6, the Clarence Kleffner children, Johnny 12, Jeannie 10, Chuckie 8, Cindy 5 and Judy 4 set up the booths and took charge of them. Assisting them were Ricky LaChance, Vaughn Filwell, and Billy, Jeannie and Kathy Flanagan. Tammie Eiserman of Lake Villa graciously loaned them the use of her pony and cart for the afternoon. The food and the prizes were contributed by Mr. and Mrs. Colucio and Mr. and Mrs. Kleffner.

The children plan on handing a check for the \$52 to the club at a later date, perhaps when they decide what they would like them to use the money for.

Pat Writes A Letter

The following letter was written by Pat Patla, daughter of Mr. and Mrs. V. J. Patla, proprietors of Pasadena Gardens at Cross Lake, north of Antioch.

Pat has been at the Asthma Research Institute for one year, and will be there for another year. Her health has improved a great deal in that time, her mother says, and by the time she leaves she can expect to live a normal life.

Even more pronounced than the improvement in her health, says Mrs. Patla, is the difference in her personality. Formerly a shy, retiring girl, she has become more outgoing and gained a great deal of confidence.

Pat wrote the following letter to a Denver paper:

Asthmatic Children

It's estimated that there are more than 5 million asthmatics in America alone, and 3 million of them are children. But I am one of the 151 fortunate asthmatic children chosen to receive care and treatment at the Children's Asthma Research Institute and Hospital, commonly known as CARIH, here in Denver.

Aside from the fine care and treatment which I receive at CARIH, the thing I like best about the home is the fact that it treats children from all parts of the world. There are people here from Israel, Korea, Japan, the Philippines, Brazil, Africa, Venezuela, Greece, Iran, and of course all parts of the United States.

Those cosmopolitan atmosphere helps us to overcome our physical ills as well as our social ills. By learning to live with others we also learn to live with ourselves and to accept more responsibility in human social relations. I believe if more people had this kind of experience we would have a much better world in which to live.

Even the staff members at CARIH are from all parts of the world. There is Dr. Hyman Chai, who is from Southern Rhodesia, in Africa, and Dr. N. Yazdi of Teheran, Iran.

Dr. Yazdi is accompanied by another fellow countryman, Dr. Misshagian. My own doctor, Dr. A. Tiburcio, is from Manila. Other doctors here from other parts of the world include Dr. Y. Tsuchiya from Japan, and Dr. C. J. Fellers, Medical Director, who is here from Greece.

One of the greatest problems the asthmatic child suffers is the problem of being tied to his parents' apron strings. At home the asthmatic child usually isn't allowed to do the things normal children do. Parents are naturally afraid their child will have an asthma attack.

For those who have never witnessed an asthma attack, it is when you are gasping for air, blue in the face with uncontrollable coughing and wheezing.

At CARIH, if one's asthma isn't cured, we are always taught how to control it and live with it. That is why, under the watchful and sympathetic eyes of our professional hospital parents, we are allowed more freedom than we were at home.

At CARIH, we learn to accept responsibility and to realize that every person is dependent upon others. We

do things that any normal child does, but with the realization that we are not alone in our suffering or our social conduct.

Because of this great lesson which everyone learns at CARIH, it is usually quite difficult for a child to leave here and part from his many friends who make up CARIH's wide world. And I realize that when the time comes for me to leave CARIH, I will leave with a new life, both physically and mentally. I wish everyone could be as fortunate as I am in learning the science of human relations and the lessons taught by CARIH.

PAT PATLA,

age 14

from Cross Lake, Wis.

Early Morning Fog

Early rising motorists often find they must drive through fog before the sun rises very high. Even though the foggy situation may be temporary, it still is a treacherous period. Fog of any kind reduces visibility more than we like. To help ease the situation, reduce your speed and use headlights—not parking lights—in the fog.

Local Matmen Head Big Card

Simmons Field in Kenosha will be the scene of action when promoter Tom Dorff brings Big-time, All-Star Professional wrestling to that location on Thursday, August 27.

Promoter Dorff has what he believes to be an outstanding attraction in any arena when he presents a card of popular TV wrestlers topped by a girls' tag match.

In this tag bout, Jean Lane, fresh young girl grappler, and JoAnn Brewer, popular Nashville, Tenn., brunette,

Johnny Gilbert

Johnny Kace

will pair up against the roughhouse team of Bernice LaRue, French girl matster who weighs 225 pounds, and her partner, Rita Crawford. This will be Rita's third bout since she had her arm broken in a bout early this summer. Miss LaRue's success on the mat has been achieved by her tremendous strength. Just recently she performed a dead lift of 400 pounds in good style.

Jean Lane is one of the prettiest girls in the wrestling game. She formerly drove in stock car races. Her partner JoAnn held the Southwestern girls' tag team championship jointly with Jane Mull. until recently when the two broke up. She believes that with Miss Lane as her partner she can attain the same success in the Midwest that she enjoyed in the South.

In another feature match Johnny Gilbert, likeable heavyweight from Michigan City, Ind., will tangle with "The Destroyer," 245 lb. masked grappler who defeated Big Moose Cholok on the last wrestling card in Simmons Field.

The Destroyer has just finished a world tour which wound up in Japan. He in-

tends to continue activities in the Midwest until he becomes the outstanding contender for the world's heavyweight championship. In meeting Gilbert he will be facing a man who has wrestled all types of wrestlers, and who has built an enviable record both as a single athlete, and as a partner of Billy Goetz.

In the special event, Johnny Kace, mean Antioch wrestler, will tangle with Billy Goetz from Fox Lake. Kace was former captain of the wrestling and football teams at Marquette University, and has ten years of professional wrestling under his belt.

Goetz is known as "the man of a thousand holds" and is a veteran in the wrestling game. He and Johnny Gilbert operate a wrestling school in Chicago where they have turned out many good wrestlers, both men and women.

Matches start at 8 p.m.

Tips From The Tackle Box

By B. F. Gladding

Calling All Fish!

Do you have a favorite fishing spot in a particular lake or pond—a place where you often drop anchor and bait fish for whatever will bite? If so, here's a way to doctor up the spot, call more fish and pep up the fishing accordingly.

Buy or beg a bale of hay from some farmer, and if it's spoiled and musty, so much the better. Weight it with a couple of fairly heavy rocks, then sink it where you usually fish.

Fish don't feed on hay, of course, but the bale will provide an ideal breeding place for a multitude of small organisms. These will soon attract numbers of small fish, and the minnow-feeders—bass, walleyes, pike perch, crappies and the like—will promptly move in to prey on the concentration of bait fish.

To mark the spot, drop a rock anchor and tie the rope to a plastic jug or some other float. Place it just far enough away so that when you tie your boat to the anchor you can fish directly over the bale.

Come back in a week or so with a bucket of lively minnows. You should do a real brisk business.

Free Classes in Boating At McHenry

The United States Power Squadron will offer a free 9-course session in proper boat operation, starting at 8:00 p.m., September 22, at the McHenry High School in McHenry.

Qualified instructors from the Chain of Lakes Squadron will discuss boating regulations, safety and elementary piloting. All boating enthusiasts should participate in this program as boating can be much more enjoyable when proper handling procedures are followed.

For additional information contact William Landwer at 395-2816 in Antioch.

Ansell Wins On Rain-Wet Track

Bill Ansell of Milwaukee rode close and hard behind Dennis Burgen of Waukegan for most of the 50-lap feature at the Kenosha County Speedway in Wilmet on Saturday night and then took the lead and the win on the last lap. Finishing third was Jr. Dodd of Waukegan with Chuck Uttech of Kenosha and Bill Bohn of Bristol following.

Point lead battles, Rodger Otto of Burlington and Jim Sullivan of Antioch were eighth and seventh with Sullivan picking up only 1 point on Otto all night long. This however, narrows the point battle between the two to only two points. Otto has been ahead of Sullivan in the feature by just a car length and then Sullivan spun out and still managed to catch up and pass Otto.

Heat race winners on the heavy track that had to be packed and dried before the first race, were Bob Layland of Elgin; Jim Olett of Hales Corners; Jim Bozeman of Waukegan and Bay Darnell of Deerfield.

The 15-lap semi-feature race was won by Bob Nor-man of Trevor, Wis., who took the lead away from Layland in the sixth lap and then went on to win. Layland, Pensalek, Darv Nissen, and Bill Kline rounded out the first five.

Spectator heats were won by Earl Rumpsee of Burlington and Richard DeGroot of Union Grove. The feature in this division was won by Allen Gutchee of Kenosha.

The attendance for the first of the extra distance race was held down to just 2604 due to the rain showers in the area. This caused cancellation of the time trials but the first race started on time.

The feature next week will be for 50 laps and will again afford a chance for the drivers to secure starting spots in the 100-lap season championship race on Saturday, Sept. 5. In the event of rain on this night the 100-lap championship race will be run on Sunday, Sept. 6.

Reimer Leads Racers At Speedway

John Reimer, current point leader, continues to collect checkered flags as he won the 25-lap feature, modified race at the New Waukegan Speedway Sunday night.

The race run smoothly until Chuck Uttech flipped his car several times in the seventh lap. Chuck was uninjured and the race continued with Johnny Reimer finishing ¼ lap in front of Ken Talagan. The third place went to George Uttech and fourth to Bill Bohn.

Fast time was turned in by Ken Talagan with a time of 16:32 just 20/100 off the one lap record.

Heat race winners in order were 1st Dick Bently, second Jim Bossman, third John Reimer, and fourth Dennis Burgen.

Cold weather which hampered at all tracks this week end did not pass up the New Waukegan Speedway. However, those fans that braved the elements saw a fine program of racing.

Business Men Start Season Sept. 3

Antioch GOP's Get Set For Larson Day

The Antioch Township Republican Club has set up the organization to implement plans for celebrating their third annual Sheriff Charles E. Larson Day at the George Diamond Country Club, Wednesday, October 7th, with an all day golf outing and swimming soiree, followed by a George Diamond steak dinner.

Senator Everett Dirksen has been invited to address this grass roots Republican group, and in order to accommodate the large turnout which is expected to be present to see and hear the Republican leader, Diamond is having the main dining room enlarged to double its present capacity, with completion scheduled for this party. Well over one thousand diners will fit comfortably, but Club President Herbert Horton is limiting the sale of tickets to half this number to provide ample elbow room for the assembled guests.

At the recent August 19th meeting at Lorenz' Smart Country House, working committees were set up and include:

Speakers' Table — Herb Horton, Charles E. Larson, Lloyd Murrie.

Tickets — Loren Sexauer, Elmer Eberman, Richard Striblen, Helen Burke, Bud Holtz, Bill Brook.

Golf — Bernie Osmond, Jim

Olson, "Big John" Torest, Tommy Griffin, Hillard To-bieski.

Prizes—Blaine Ring, Len Case, Pete Schaffer, Ole Mathison, Herman Behm, Gil Meisgeler.

Host—Harry Welland, Herman Holbak.

Arrangements—Agnes Van Patten, Imogene Case, Lillian Colanka.

Publicity—Harry H. Stern.

The trouble with putting in your two cents these days is that it costs you five cents to mail it.

GOP Women To Hold Discussion

A panel discussion by the four Republican women candidates for the Illinois State Assembly will be held at Ferry Hall in Lake Forest on September 3.

All women are invited to the discussion, sponsored by the 12th Congressional District Women's Republican Club.

A reception for Mrs. Charles Percy will be held at 12 noon. Mrs. W. C. Petty of Antioch is one of the hostesses for the affair.

Cancer Fund Goes "Over The Top"

The Lake County Unit of the American Cancer Society, which has successfully reached its Cancer Crusade goal much earlier in previous years, has finally gone "over the top" for this year's Crusade. The delay in reaching this year's quota was caused by the tremendous increase

in the amount, as 1963's quota was \$49,527 and 1964's goal was \$70,253.

Total of donations to date has reached \$70,293.

Antioch reached 93% of its quota of \$1200 with a total of \$1119. Mr. and Mrs. C. F. Spiering were co-chairmen of the Crusade.

Favor Bill To Preserve Ind. Dunes

Senator Paul H. Douglas (D-Ill.) reports that the Senate Committee on Interior and Insular Affairs has voted 12-3 in favor of the establishment of the Indiana Dunes National Lakeshore Park.

The bill provides for the establishment of a National Lakeshore Park of 11,282 acres and 10.8 miles of shoreline, including 2,182 acres and about 3 miles of shoreline in the Indiana Dunes State Park. Sponsors of the bill intend that the State of Indiana retain the State Park and the National and State

Park be cooperatively developed.

The bill retains the western section of the park, which will be developed in part as a mass bathing beach north of the railroad and probably as a nature area and picnic section, along with administrative facilities, in the portion south of the railroad. The mass bathing area will help to take pressure from the Chicago-Lake County, Indiana, region.

Bicycle Riders Should Know Rules of the Road

Bicycle riders are drivers, too. And as drivers, says the Chicago Motor Club, they are subject to the same rules of the road as motorists. If your children ride bicycles,

be sure they know and obey all traffic laws. Their knowledge and practice of safety regulations will contribute much to your peace of mind.

THE CHICAGO MOTOR CLUB, 876 Main Street, Antioch, Ill., has a booklet, "Bicycle Rules of the Road," which is available for a nominal fee.

The booklet contains a complete set of rules and regulations for bicycle riders, and is a valuable reference for all who ride.

For a copy of the booklet, write to the Chicago Motor Club, 876 Main Street, Antioch, Ill. 60011.

The booklet is available for a nominal fee of \$1.00, which includes shipping and handling charges.

Check or money order payable to the Chicago Motor Club. No cash orders.
